

## Who We Are

F&P Construction and Imperial Construction are forming a mentor-protégé and joint-venture partnership in North Texas. F&P brings over 90 years of experience, MBE, SBE, SDVOSB, and HUB certifications, and is led by President Mark Floyd, a disabled veteran. Imperial Construction, founded in 2000, is known for quality work on government projects. The collaboration aims to manage large-scale projects effectively and deliver exceptional results.

### Together We Provide:

- **Stakeholder Engagement:** Proficiency in collaborating with federal agencies, understanding their unique needs, and maintaining strong relationships.
- **Customer Service Excellence:** Commitment to delivering quality service, ensuring client satisfaction and repeat business.
- **Effective Communication:** Clear and consistent communication with federal clients, keeping them informed and involved throughout the project lifecycle.
